Good to Me

Sam Adeniji

If not for you where would I be
If not for you there will be no me
Youâ€™ve captured me yet I am free
And you take care of me you charge no fee

You are my guide
Youâ€™re the way
Lord I pray
I hold on to what you say
Youâ€™re my shepherd
I will not stray
The sky maybe grey
On you my mind will stay

I will speak and sing of you every day
In every way
In every way
You are so near in the cold light of day
Day to day
Day to day

You are so good to me
You are so good to me
I feel your smile on me
I just want to let you know
You are a good good father
And a good good giver
Your beauty is on my life
I just wanna let you know
You are good
You are good
You are good
You are good to me
You are good to me

You are good
You are good
You are good
You are good to me

You are good to me

Thereâ€™s nothing I have youâ€™ve not given me
At the mention of your name devils flee
If peace is lock, you surely are the key
I will praise you forever daddy

You are my guide
Youâ€™re the way
Lord I pray
I hold on to what you say
Youâ€™re my shepherd
I will not stray
The sky maybe grey
On you my mind will stay

I will speak and sing of you every day
In every way
In every way
You are so near in the cold light of day
Day to day
Day to day

You are so good to me
You are so good to me
I feel your smile on me
I just want to let you know
You are a good good father
And a good good giver
Your beauty is on my life
I just wanna let you know
You are good
You are good
You are good
You are good to me
You are good to me

You are good
You are good
You are good
You are good to me
You are good to me
