Try (Frank Lamboy Club Mix)

Schiller

I know you don't believe me
When I say it's gonna be alright...
I know you're tired of tryin'
When you feel your soul is dyin' inside...
But you can count on me...
I live for you
You can lean on me...
Believe it's true!You know that I try, I try, I try,
I try to make you feel alright...
You'll find, you'll find, you'll find
Me in the middle of the night...
I am your's to... love.Every word eskapes me
When I think of all the things I lost
Everywhere my head turns
It's a dead-end road, I know
But you can count on me...
I'm here for you
You can lean on me...
Believe it's true!You know that I try, I try, I try,
I try to make you feel alright...
You'll find, you'll find, you'll find
Me in the middle of the night...
I am your's to love,
I... I...
I am your's to... love.I... a... m...
Your's to love,
Your's to love!Mmmhh, yeah...You know that I try, I try, I try,
I try to make you feel alright...
You'll find, you'll find, you'll find
Me in the middle of the night...
I am your's to love,
Fi... nd...
I am your's to love.
