

# Try (Frank Lamboy Club Mix)

Schiller

I know you don't believe me  
When I say it's gonna be alright...  
I know you're tired of tryin'  
When you feel your soul is dyin' inside...  
But you can count on me...  
I live for you  
You can lean on me...  
Believe it's true! You know that I try, I try, I try,  
I try to make you feel alright...  
You'll find, you'll find, you'll find  
Me in the middle of the night...  
I am your's to... love. Every word escapes me  
When I think of all the things I lost  
Everywhere my head turns  
It's a dead-end road, I know  
But you can count on me...  
I'm here for you  
You can lean on me...  
Believe it's true! You know that I try, I try, I try,  
I try to make you feel alright...  
You'll find, you'll find, you'll find  
Me in the middle of the night...  
I am your's to love,  
I... I...  
I am your's to... love. I... a... m...  
Your's to love,  
Your's to love! Mmmhh, yeah... You know that I try, I try, I try,  
I try to make you feel alright...  
You'll find, you'll find, you'll find  
Me in the middle of the night...  
I am your's to love,  
Fi... nd...  
I am your's to love.
