

# What Makes the Sunset? (feat. Dave Mann)

## Frank Sinatra

What makes the sunset?  
What makes the moon rise?  
What makes the tide remember to hide  
And why does it soon rise? What makes a star fall?  
Where does it fall to?  
Why does its flight make us stop  
In the night and wish as we all do? And what holds a cloud together?  
And what makes the sky so blue? What makes the sunset?  
What makes the moon rise?  
Is it my love for you? And what holds a cloud together?  
And what makes the sky so blue? What makes the sunset?  
What makes the moon rise?  
Is it my love for you?
