## Titus Andronicus

[Under Construction: These lyrics are subject to change as better recording, studio versions, lyric videos, official lyrics, etc., are released. Studio version slated for November 2014 release.][Verse 1]

She's looking after me  
She doesn't know the kind of things I could do if I lose control  
I'm letting out the beast  
He's free, unleashed

Will she freak when she sees my capabilities?[PreChorus 1]

Waiting at the drugstore, oh yeah  
Waiting on the drug dealer all day  
Waiting on some drug deal all the time  
Waiting on a drugstore line

I got what I came to find[Chorus]

Let me show you my fatal flaw  
It's the best thing you never saw

Yeah yeah, yeah yeah

Yeah yeah, yeah yeah[Instrumental Break][Verse 2]

Hey! I've always been this way, and I ain't proud  
But I might go insane if I can't say it out loud  
Don't want her feeling sad from what she heard me say  
Not even on my worst of my birthdays[PreChorus 2]

Blame it on the drugs, yeah, oh yeah  
I'm paying off the drug dealer always  
Made it to the drug deal right on time  
Now I'm waiting on one more line

I got what I came to find[Chorus]

Let me show you my fatal flaw  
It's the best thing you never saw

Yeah yeah, yeah yeah, yeah yeah

Yeah yeah, yeah yeah, yeah yeah[Outro]

Flaw

My fatal flaw
