

# So sexual

SisqÃ³

It's givin' me a chill  
Every time I think  
About the love we make  
Makes my heart sink  
Deep into my soul  
Everywhere I go  
I'm always thinkin of  
When we make love

Wanna go back to the day  
When I touched you girl in every way  
Gotta take a chance to hear you say  
That you want me girl  
Girl you know you rock my world

I can't eat can't sleep  
You know that it's unnatural, oh oh  
What you do to me  
You know that it's so sexual, oh oh

What's come over me?  
Never thought that love could be so addicting  
I feel this urge so bad  
It makes my body weak  
I can taste you even when you're not with me  
Look what you've done to me

Wanna go back to the day  
When I touched you girl in every way  
Gotta take a chance to hear you say  
That you want me girl  
Girl you know you rock my world

I can't eat can't sleep  
You know that it's unnatural, oh oh  
What you do to me  
You know that it's so sexual, oh oh

You are the only girl  
I wanna share my world

You're where I wanna be  
You're everything I need
