

If You Run (Live In Tennessee)

The Boxer Rebellion

I'm always here
Waiting for you all alone
Eyes of the night
Just to see, see you home There's two of us in here
The only only
There's two of us in here
And it's only I'm always here
All alone without you now
Lights of the night
Just to see you somehow There's two of us in here
The only only
There's two of us in here
And it's only Just you wait If you run if you run
I'll wait
I'll wait for you
