

Differently

Neil Young

Wish you told me by and by
That my life would come to this
That I'd have to find a way
To let things go
That my friends would turn to foes
And my love would come to blows
Then I would have done some things
Differently
Differently
I would ask you out every night
Differently
And I would make you feel so good
Differently
And appreciate the things
That you bring to me babe
Differently
Oh yes I would, oh yeah
Yeah, I know you tried and tried
But your signal, I just missed
When you said
My little girl would soon be gone
Yes, I didn't hear you then
And it might be too late now
That's another thing I'd do
Differently
Differently
Like trying to make you
Feel loved every day
Differently
And saying little things
To let you know how I feel
Differently
Yes, I can hear your
Young voice calling me babe
Differently
Oh yes I can
When I'm away I call you up

And you don't seem

To miss me as much
But I know our love
Is still there in your heart
Just differently
Differently
Oh yes, I can hear your
Young voice calling me babe
Differently
Oh yes I can
Differently
I'd appreciate the things that you
Bring to me babe, yes I would
Differently
Oh come on back to me babe
Bring your love back to me
Differently
Oh yeah, I need your love
I need your love
Differently
Today is a brand new day, yes it is
Differently
Got to get your love back babe
Come on now, bring it back to me
Differently
Turn it around babe
Turn it around and bring it back
Differently
Yeah, yeah, oh yeah
Got to get your love back
Come on babe
Differently
Yeah, I can hear your
Young voice calling me babe
Differently
Come on back to me, come on back
Yeah, yeah, turn it around
Differently
Oh yes I can, yes I can
Differently
