

# There's an Overflow

## Sinach

There is an outpouring of abundance  
new doors have been opened  
the land, it is green  
A new grace has been released  
The glory of the later is greater  
than the former  
The blessing is here all here  
It's all here  
The glory of the later is great than the former  
The blessing is here, (it's all here)  
all here  
There's an overflow  
Abundance of favor  
It's a new level  
There's an overflow  
Abundance of blessing  
I've taken over  
I see the nations, come to me  
They receive answers from my lips  
I am shining las a house on a hill  
My greatness cannot be hidden  
(Sing it again)  
I see the nations, come to me  
They receive answers from my lips  
I am shining las a house on a hill  
My greatness cannot be hidden  
It's beyound our wildest dreams  
What the lord is doing  
my reality, my reality  
It's beyound our wildest dreamsWhat the lord is doing  
my reality, my realityThere's an overflow  
Abundance of favor  
It's a new level  
There's an overflow  
Abundance of favor  
We've taken over  
There's an overflow  
Abundance of favor

Moving with the speed of the holy ghost  
I am favored
