Break Me Shake Me

Savage Garden

I never thought
I'd change my opinion again
But you moved me in a way
That I've never known
But you moved me in a way
That I've never knownBut straight away
You just moved into position again
You abused me in a way
That I've never known
You abused me in a way
That I've never known
You abused me in a way
That I've never known
You abused me in a way
That I've never knownSo break me, shake me
Hate me, take me over
When the madness stops

When the madness stops
Then you will be alone
Just break me, shake me
Hate me, take me over
When the madness stops
Then you will be alone no no

No no no Wow ohh Ohh

Wow woSo you're the kind Who deals with the games in the mind Well you confuse me in a way That I've never known You confuse me in a way That I've never knownSo break me, shake me Hate me, take me over When the madness stops Then you will be alone So won't you break me, shake me Hate me, take me over When the madness stops Then you will be alone no no No noShe said, "I can help you But what do you say?" Because it's not free baby You'll have to pay

You just keep me contemplatin'

That your soul is slowly fading Yea no no no no God, don't you know Well I live with a ton of regret 'Cause I used to move you in a way That you've never known But then I accused you in a way That you've never known But you've hurt me in a way That I've never knownBreak me, shake me Hate me, take me over When the madness stops Then you will be alone So won't you break me, shake me Hate me, take me over When the madness stops Then you will be alone (Listen, baby)Break me, shake me Hate me, take me over When the madness stops (You will be, you will be alone) Then you will be alone Break me, shake me, hate me Take me, make me Fake me, break me, shake me Hate me, take me Break me
