

I'm A Man

Chicago

Well my pad is very messy, got whiskers on my chin
Never had no problems 'cause I've always paid the rent
I got no time for lovin' 'cause my time is all used up
I stand outside creatin' all the groovy kinds of love
I'm a man, yes I am and I can't help but love you so
I'm a man, yes I am and I can't help but love you so
If I had my choice of matter I'd would rather be with cats
All engrossed in mental chatter showing where your mind is at
While relating to each other how strong the love can be
Resisting all the good times with each groovy chick we see
I'm a man yes I am and I can't help but love you so
I'm a man yes I am and I can't help but love you so
I've got to keep my image while I'm standing on the floor
If I drop upon my knees it's just to keep them on my nose
You think that I'm not human and my heart is made of stone
But I've never had no problems and my body's pretty strong
I'm a man yes I am and I can't help but love you so
I'm a man yes I am and I can't help but love you so
I'm a man yes I am and I can't help but love you so
If I had my choice of matter I would rather be with cats
All engrossed in mental chatter showin' where your mind is at
While relating to each other how strong your love can be
Resisting all the good times with each groovy chick we see
I'm a man yes I am and I can't help but love you so
I'm a man yes I am and I can't help but love you so
I gotta keep my image while I'm standin' on the floor
If I drop upon my knees it's just to keep them on my nose
You think that I'm not human and my heart is made of stone
But I never had no problems and my body's pretty strong
I'm a man, yes I am, and I can't help but love you so
Man, yes I am, and I can't help but love you so
Man, yes I am, and I can't help but love you so
Man, yes I am, and I can't help but love you so
