

Minor Threat

Minor Threat

We're not the first, I hope we're not the last
'Cause I know we're all heading for that adult crash
The time is so little, the time belongs to us
Why is everybody in such a fucking rush? Make do with what you have
Take what you can get
Pay no mind to us
We're just a minor threat We're just a minor threat
Early to finish, I was late to start
I might be an adult, but I'm a minor at heart
Go to college, be a man, what's the fucking deal?
It's not how old I am, it's how old I feel Take your time
Try not to forget
We never will
We're just a minor threat We're just a minor threat
