

# Any Other Way

Jack Savoretti

She can't help but get it right  
All I do is get it wrong  
She hates me staying out all night  
So she finds her way into my song  
Picture perfect, broken-hearted girl  
Always turning her back on the right side of this world  
You cross my heart, now you hope I'll die for you (Oh yes)  
You're an actress playing part  
I'll always see your lines through you (Oh yes)  
Stop asking me to change  
You wouldn't have it any other way (Oh now)  
Any other way  
You wouldn't have it  
Any other way  
My best is never good enough  
She won't let me give up  
She is the first to call my bluff  
When I say I think we're out of love  
It's crazy baby, the games we play  
King and queen of the kingdom  
That you rent paid  
Oh no, oh You cross my heart, now you hope I'll die for you  
But I won't even cry for you  
You're an actress playing part  
I'll always see your lines through you  
Maybe lie to you  
Stop asking me to change  
You wouldn't have it any other way  
Any other way  
You wouldn't have it  
Any other way  
It's crazy baby (crazy baby)  
The games we play (games we play)  
King and queen of the kingdom of pleasure and pain  
You cross my heart, now you hope I'll die for you  
But I won't even cry you  
You're an actress playing part  
I'll always see your lines through you  
Maybe lie to you  
You cross my heart, now you hope I'll die for you

I can try for you  
Stop asking me to change  
You wouldn't have it any other way  
Oh now  
Any other way  
You wouldn't have it  
Any other way  
Oh now, now, now  
Any other way  
You wouldn't have it  
Any other way
