Building A Fire

James

I'm building a fire
A flame for always
I'm living on fire
A flame for always
I'm living like fire
A flame for always
I'm building a fire
A flame for always
I'm living like fire
A flame for always

How long to go
Before this flame dies
How long to burn
Before I blaze away
I blaze away
So long to all my friends
And those who taunted me
To those who lead me on
To those who...
