

# It's Your Love (feat. Faith Hill)

Tim McGraw

Dancing in the dark  
Middle of the night  
Taking your heart  
And holding it tight  
Emotional touch  
Touching my skin  
And askin' you to do  
What you've been doing  
All over again Oh, it's a beautiful thing  
Don't think I can keep it all in  
I've just gotta let you know  
What it is that won't let me go It's your love  
It just does something to me  
It sends a shock right through me  
I can't get enough  
And if you wonder  
About the spell I'm under  
Oh it's your love Better than I was  
More than I am  
And all of this happened  
By taking your hand  
And who I am now  
Is who I wanted to be  
And now that we're together  
I'm stronger than ever, I'm happy and free Oh, it's a beautiful thing  
Don't think I can keep it all in  
And if you ask me why I've changed  
All I gotta do is say your sweet name It's your love  
It just does something to me  
It sends a shock right through me  
I can't get enough  
And if you wonder  
About the spell I'm under  
Oh it's your love Oh, it's a beautiful thing  
Don't think I can keep it all in  
I've just gotta let you know  
What it is that won't let me go It's your love  
It just does something to me  
It sends a shock right through me

I can't get enough  
And if you wonder  
About the spell I'm under  
Oh it's your love  
It's your love  
It's your love
