

Run For Cover

Quiet Riot

Watch out!
You better get yourself runnin'
I got hurricane comin'
No warning surprise I'm gonna take my leave
I want to plant my seed
Don't let it shock you hold tight, hold tight You better run for cover
I'm a hit-n-run lover
Run for cover tonight (get ready!) So you think it's easy
Try to be this sleazy
Well I'll tell you it's nice (ha ha) We're gonna make a name
Ain't gonna play no games
You'd better take the first flight tonight You better run for cover
I'm the hit-n-run lover
Run for cover tonight Find some shelter and hide
No survivors tonight, hold tight, tonight (yeah watch out!) You better get yourself runnin'
I got hurricane comin'
No warning surprise I'm gonna take my leave
I want to plant my seed
Don't let it shock you hold tight, hold tight Run for cover
I'm the hit-n-run lover
You better run for cover tonight (yeah) Run for cover
I'm the hit-n-run lover
Run for cover tonight
Look out
Watch out
Get out
Hold out Run for cover tonight
Run for cover! Woo!
