A no nothing fi mi walk inna Rome an start a fyah, start a fyah
Cause dem a wonder how a likkle African
A go burn down the whole a inna Vatican
But a no nothing fi mi walk inna Rome an start a fyah, start a fyah

Mi a go Rome the whole demography
An when mi talk, an mi no Hippocratic
When mi seh Rome, an it no geography
But if a you fi wear the cap then a you wi claffy
When mi seh Rome mi a talk bout lion
Oily Selassie high the power a the triant
The eagle, an the drogan, an the bear a spit fyah
But dem cyaa over throw the konkering lion

Listen to the voice of Jah people
Today Rome will burn
A no me alone a Jah over evil

A no nothing fi mi walk inna Rome an start a fyah, start a fyah
A no nothing fi mi walk inna Rome an start a fyah, start a fyah
Cause dem a wonder how a likkle African

But a no nothing fi mi walk inna Rome an start a fyah, start a fyah

Mi a go Rome the whole demography
An when mi talk, an mi no Hippocratic
When mi seh Rome, an it no geography
But if a you fi wear the cap then a you wi claffy
When mi seh Rome mi a talk bout lion
Oily Selassie high the power a the triant
The eagle, an the drogan, an the bear a spit fyah
