Slim Thug

When I hit the club all the girls show me love
While at the bar, got drank by the jug
In the v.i.p with the chicks and the drugs
It's the T.I.P, Bun-B and Slim Thug
When I hit the club all the girls show me love
While at the bar, got drank by the jug
In the v.i.p with the chicks and the drugs
It's the T.I.P, Bun-B and Slim Thug
I got drank by the pint
Dro by the pound
Headed to the club in the boss top down
Slim Thug bout to clown represent H-town
If you love me you gon smile
If you hate me you gon frown
'Cause me and my boss
hoggs bout to ball till we fall
This year, I won't stall, Slim Thugga want it all
Goin' solo, first cd out that nots slow-mo
Heres another hit thanks to the drank and they do-do
Fa sho though we got the club shut down
Tryna pick which chick I'ma cut now
Got a fetish for thick girls thats caramel brown
On a hunt and uggh guess what I just found
