Bye Bye Love

Roy Orbison

Bye bye love bye bye happiness
Hello loneliness I think Im gonna cry
Bye bye my love goodbye
There goes my baby with someone new
She sure looks happy I sure am blueShe was my baby tlll he stepped in
Goodbye to romance that might have been
Bye bye love bye bye sweet caress
Hello emptiness I feel like I could die
Bye bye my love goodbyeIm free from romance Im through with love
Im through with counting the stars above
And heres the reason that Im so free
My loving baby is through with meBye bye love bye bye happiness
Hello loneliness I think Im gonna cry
Bye bye my love goodbye
Bye bye my love goodbye
