Reverse (RV$$$$$E)

Chelou

Biting on a cigarette
Help me get my life in check
Cause I'm not sure
If something's gonna happen

Days are short lives are long
Finally gonna let ya know
That it won't be long
'Til you start seeing things sideways

{Chorus} 2x
God knows
It's such a lonely road
Better luck next time

Got another episode
Got up but you didn't know
Cause I'm not sure if you'll look at me the same

Wouldn't it be simpler
To stop before it ever starts
But I'm not smart so I guess we'll keep on falling

{Chorus} 2x
God knows
It's such a lonely road
Better luck next time

(Instrumentals)

{Chorus} 4x
God knows
It's such a lonely road
Better luck next time
