

Orgasm = Love

Psychostick

I can feel you in my heart
Even though we drift apart
With those words you spoke to me
Oh I always disagree
And I listen, to the sound of, your sweet voice cause you wont shut up
Now im finished, let me call you, a taxi

(in the background: Woah-Oh-Yeah)

(in the background: Woah-Oh Oh-Oh)

(Chorus)

I don't feel, that im feeling, your feelings
about these feelings that you feel
(in the background: Woah-Oh Romance!)
And you know that, I love you, when we're FUCKIN'
Cause Orgasm Equals Love!

All my friends smile and they chuckle, at pictures of your bear moose knuckle
Please don't feel like you're a slut, when I'm peeing in your butt (uhh)
And I love to, donkey punch you, after I poop on your sheets (eww)
And I do it, cause you love me, and I love you (awhhhhh)

(in the background: Woah-Oh-Yeah)

(in the background: Want Some More?)

(Chorus)

I don't feel, that I'm feeling, your feelings
About these feelings that you feel
(in the background: Wait-*cough*-*cough*)
And I love you, when you show me, your sweet boobies
Cause Orgasm Equals Love!

Take It Joshy:

woah-oh-oh-oh-oh-oh-oh-oh-AAAAAAGGGGGHHHHHHH
That was terrible...

(Chorus)

I don't feel, that I'm feeling, your feelings

About these feeling that you feel
(in the background: You know what fuck this im outta here *slam*)

Lets get married, and have babies, just kidding

Cause Orgasm Equals Love!

Cause Erections Equals Love!

Cause Ejaculation Equals Love!

Cause Deep Throating Blowjobs Equal Love! (uhh)

Cause Salad Tossing Equals Love! (ahh) (ahh we dont need this)

Double Pene(ahh)tration Equals (ahh dude!) Love!

Anal Kidney (ahh)Punching Equals Love! (ahh thats ahh thats fucking gross) (im dying!)

Cause Dirty Sanchez's Equal Love! (ahahaha) (im dying) (dude!)

Cause Cleveland (ahh) Steamers Equal Love!

Cause Tieing You Up To My Bed And Gagging You With Your Own Panties And Sticking My Weiner In-
Between Your Boobies And Cumming All Over Your Chin Equals Love! (ahahaha ah man)

Well this song aint getting on the radio anytime soon

(*snorrrre*)

Good Job... Looks like we finally put the boy to sleep with our slow songs.. Somebody wake him up will you?

Okay...
