

The Sons of Odin

Manowar

Here to the blaze
I wander
Through this black night
I pounder
The edge of our mighty swords
Did clash
Fallen by our axes
Helmets smashed Glory and fame
Blood is our name
Souls full of thunder
Hearts of steel
Killers of men
Of warriors friend
Sworn to avenge our fallen brothers
To the end One day too
I may fall
I will enter Odin's Hall
I will die sword in hand
My name and my deeds will
Scorch the land Glory and fame
Blood is our name
Soul full of thunder
Hearts of steel
Killers of men
Of warriors friend
Sworn to avenge our fallen brothers Sons of the gods today we shall die
Open Valhalla's door
Let the battle begin with swords in the wind
Hail Gods of War[Solo] Sons of Odin we fought
By the hammer of Thor
Ride down from the sky
Another is born
Another shall fall
This day men will die(oh) Glory and fame
(oh) Blood is our name
(oh) Souls full of thunder
(oh) Hearts of steel
(oh) Killers of men
(oh) Of warriors friend

(oh) Sworn to avenge our fallen brothers(oh) Sons of the gods today we shall die
(oh) Open Valhalla's door
(oh) Let the battle begin with swords in the wind
(oh) Hail Gods of War(oh) Sons of the gods today we shall die
(oh) Open Valhalla's door
(oh) Let the battle begin with swords in the wind
(oh) Hail Gods of War(oh) Let the battle begin with swords in the wind
(oh) Hail
(oh) Gods
(oh) of War!!![Onward into the heart of the battle
Fought the sons of Odin
Outnumbered many times
Still - they fought on
Blood poured forth from their wounds
Deep into the earth
Vultures waited for the broken shells
That once were bodies
But Odin alone would choose the day
They would enter Valhalla
And in their hour of need
He sent forth unto them The Berserker Rage
Now gods of men
They rose up from the ground
Screaming like wild animals
Such is the gift of absolute power
No blade or weapon could harm them
They killed men and horses alike
And all who stood before them died that day
Hail Gods Of War]
