

Banana's Box

Luscious Jackson

Hey if you are my fallen star
I'm afraid that will go to far
? ? cross and loss? ? ? is in my thing sweet thing
Can we just slow downChorus:
? ? ? can read your mind
Can you read mine
There it goes in double time
I can read your mind
Can you read mine
There it goes in double time
Fall and fall if we don't stall
See enough we'll see it allWhen do I end where do you begin
They say I should be strong enough
Just to let the good things in
So here we are nobody's pure so far
That guy says he is
But he still drives a carChorus
