

# Believe

Kathryn Cloward

Believe it to be true  
That you and me are meant to be  
Connected living as one  
We all have something to give  
To receive our piece of love  
Loving kindness  
Loving kindness  
Loving kindness  
Believe  
That you that me  
That we are love  
Believe believe  
Believe  
That you that me  
That we are love  
Believe believe  
Believe it to be true  
That you and me are meant to be  
Sharing loving as one  
Be grateful for what we have  
And who we are our piece of love  
Loving kindness  
Loving kindness  
Loving kindness  
Believe  
That you that me  
That we are love  
Believe believe  
Believe  
That you that me  
That we are love  
Believe believe  
Believe  
Believe  
Believe it to be true
