

Edenecho

Kamelot

First you said that you would never leave me
Merry were my days
Then you told me life is never easy
And left without a trace
But how come I want you
Like the soil yearns for the rain
Won't you light up, won't you light up my life
Let my soul breathe
Tell me wrong tell me right
You're my mind cage
Like a mountain far away
You were always there
Dressed in summer white
You will never know how much I miss you
Im open to my fear
Find the maze, I'll make my way through
Enter if you dare
How, how come I want you

Like the soil yearns for the rain
Won't you light up, won't you light up my life
Let my soul breathe
Tell me wrong tell me right
You're my mind cage
Like a mountain far away
You were always there
Dressed in summer white
Remember my name
And paint the darkness with your light
We'll sing you a song for all broken hearted
Like edenechos in my head
Then you're forgiven, gave you way
Won't you light up, won't you light up my life
Let my soul breathe
Tell me wrong tell me right
You're my mind cage
Like a mountain far away
You were always there
Dressed in summer white
