

# Curiosity

## Iggy Pop

Because of curiosity  
All the Vandals had to see  
The golden throne of Ancient Rome  
And brought the city to its knees  
Because of curiosityBecause of curiosity  
Im just riddled with anxiety  
Im the lowest level as a matter of fact  
I often dwell for days on thisAnd when I see your smiling face  
Im so disgraced  
And if youre holding out on me  
I get curious, as curious as I can be  
Curious, because of curiosityCuriosity killed the cat  
But satisfaction brought it back  
In terms of this cat, as a matter of fact  
Ill meet you at the old mouse hole  
Ill meet you at the old mouse holeWhen I see your smiling face  
Im so disgraced  
If youre holding out on me  
I get curious, as curious as I can be  
Curious as I can be  
Curious as I can beYeah, curiosity
