

# I Love You Anyway

**Tanya Tucker**

My cowboy rhythm with your uptown blues

Might sound a little out of tune

But I don't care I don't care

It don't matter to me, baby

I love you anyway

Your silk Armani with my wrangler jeans

Might make us look a little strange

But I don't care I don't care

It don't matter to me, baby

I love you anyway

Any fool can see the warning signs

The difference in your world and mine

But I don't care how fast or high you fly

I love you anyway

Any fool can see the warning signs

The difference in your world and mine

But I don't care how fast or high you fly

I love you anyway
