Love The Way You Lie

Ariana Grande

On the first page of our story The future seemed so bright Then this thing turned out so evil Don't know why I'm still surprised Even Angels have their wicked schemes And you take that to new extremes But you'll always be my hero Even though you've lost your mind Just gonna stand there and watch me burn But that's alright because I like the way it hurts Just gonna stand there and hear me cry But that's alright because I love the way you lie I love the way you lie Ohhhh, I love the way you lie Now there's gravel in our voices Glass is shattered from the fight In this tug of war, you'll always win Even when I'm right

Cause you feed me fables from your hand With violent words and empty threats And it's sick that all these battles Are what keeps me satisfied Just gonna stand there and watch me burn But that's alright because I like the way it hurts Just gonna stand there and hear me cry But that's alright because I love the way you lie I love the way you lie Ohhhh, I love the way you lie So maybe I'm a masochist I try to run, But I don't wanna ever leave Till' these walls are goin' up In smoke with all our memories Just gonna stand there and watch me burn But that's alright because I like the way it hurts Just gonna stand there and hear me cry But that's alright because I love the way you lie I love the way you lie Ohhhh, I love the way you lie
