Stay Golden

Taddy Porter

And my brother is not the same as you and me
And I know this to be true â€˜cuz what he said to me
Iâ€™d rather live my life for love
Instead of Fighting to be free
It takes me my whole life
Well it seems be

Whereâ€™d you get that from boy?
And whereâ€™d you hear that from?
And whereâ€™d you get that from boy?
And whereâ€™d you hear that from?

Stay (Stay Golden)
Stay for me (Stay Golden)
Stay (Stay Golden)
Stay for me

And if you get goinâ€™ down
When you lose your shine
And if it breaks your heart
You can still rely on me

Whereâ€™d you get that from boy?
And whereâ€™d you get that from?
And whereâ€™d you get that from boy?
And whereâ€™d you get that from?

Stay (Stay Golden)
Stay (Stay Golden)
Stay for me (Stay Golden)
Stay

The sins of our fathers ends here
Whereâ€™d you get that from boy?
Whereâ€™d you get that from?
Whereâ€™d you get that from boy?
Whereâ€™d you get that from?

Stay (Stay Golden) [x6]
