

Sunshine Road

Owen Campbell

I tell ya what I need
What I need
Ya well I don't need much
I don't have muchYou're sitting down a dark road
Sittin' in a raincoatOh but oh love, I'm needin' just one thing
And that's a little bit of sunshine
I'm needin' sunshine
And a rainy day I know,
I need to get her back homeWell I'm a lonely man
I'm a holy band
Yes, I need a dark woman
I need a good one
I need to get her to heaven, son
Before the devil take me back a down southOh but a lady, I believe in just one thing
And that's a little bit of your love
I'm needin' your love
Every lonely road you know
Oh let me riddle them bonesOh come and sugar my teaYou give me what I need
What I need
Oh well I don't need much
I don't have much
You're sitting down a dark road
Sitting in a raincoatOh but a love, I'm needing just one thing
And that's a little bit of your love
I'm needin' sunshine
Every rainy day I know,
I need to get her back homeOh but a lady, I believe in just one thing
And that's a little bit of your love
I'm needin' your love
Every lonely road you know
Oh let me riddle them bones
Oh let me riddle them bones
