

# Love Me or Let Me Go

Luis Fonsi

Baby, why you keep me hanging  
On a thin line, taking your time?  
I'd like to think that we're advancing  
But I really don't know where this will go  
Baby, give me a sign, throw me a line  
Show me that it's time for us Don't keep me in the dark open up your heart  
Tell me what I need to know  
You can't make up your mind you keep playing for time  
Baby, love me or let me go Why keep hiding your emotions?  
Just say what you mean--don't go to extremes  
All I need is your devotion  
Faithful and true like I give to you  
You're my elation, my salvation  
You are my everything Don't keep me in the dark open up your heart  
Tell me what I need to know  
You can't make up your mind you keep playing for time  
Baby, love me or let me go Tell me what you're thinking  
What secrets do you hold inside?  
Why don't you just admit it?  
The love you have is hard to hide Don't keep me in the dark open up your heart  
Tell me what I need to know  
You can't make up your mind you keep playing for time  
Baby, love me or let me go Love me or let me go Don't keep me in the dark open up your heart  
Tell me what I need to know  
You can't make up your mind you keep playing for time  
Baby, love me or let me go Baby, love me or let me go
