One Night

Profyle

I be talkin' sexiest shit to my girl
(Hello)
Yeah baby what you doin'?
One night is all I need
To make, make you, you mine
One night is all I need
One night, one night
One night is all I need
One night to make you mine
One night is all I need
One night, one night
One night is all I need
One night to make you mineGive me one night
And I can freak you baby
Baby all night
Just back that thang up on me
Make you feel right
I'll keep you coming back for me
One night is all I need to make you mineLook at your thighs and them lips
You're so fine, you're DA shit
Baby the way that you move
Makes it hard, can't refuse
Me and my dogs, we've been watching you
Across the room, all night
Baby you're lovely the way you shake
I bet you taste as niceSay ooh wee ooh wee ooh
Baby just work that ass for me
Say ooh wee ooh wee ooh
What you want, what you need yeah
Say ooh wee ooh wee ooh
Girl don't you front
Come with me
Let me love you for one nightGive me one night
And I can freak you baby
Baby all night
Just back that thang up on me
Make you feel right
I'll keep you coming back for me
One night is all I need to make you mineBaby no please don't you leave

Unless you leave here with me
No other lady compares
Ghetto fab, bad as hell
Ooh I'm sorry, can't let you go
Won't let you get away
You're so sexy
A girl like you don't come around everydaySay ooh wee ooh wee ooh
Baby just work that ass for me
Say ooh wee ooh wee ooh
What you want, what you need yeah
Say ooh wee ooh wee ooh
Girl don't you front
Come with me
Let me love you for one nightGive me one night
And I can freak you baby
Baby all night
Just back that thang up on me
Make you feel right
I'll keep you coming back for me
One night is all I need to make you mineGive me one night
And I can freak you baby
Baby all night
Just back that thang up on me
Make you feel right
I'll keep you coming back for me
One night is all I need to make you mineSay ooh wee ooh wee ooh
Say ooh wee ooh wee ooh
Say ooh wee ooh wee ooh
Oh, oh, oh, ohGive me one night
And I can freak you baby
Baby all night
Just back that thang up on me
Make you feel right
I'll keep you coming back for me
One night is all I need to make you mineGive me one night
And I can freak you baby
Baby all night
Just back that thang up on me
Make you feel right
I'll keep you coming back for me
One night is all I need to make you mine
