

Time

Rod Stewart

[Chorus]

Time waits for no one

That's why can't wait on you

Time waits for no one

That's why can't wait on you Bittersweet all the memories of you

But I don't suppose you ever felt that way too

It was all I could do just to keep you entertained

But I just another, another link in your chain [Chorus] Bittersweet all the memories of you

I believed we had a future, constant and true

And I dreamed of a family and a life we could've shared

But I guess you'll be much better off with me out of your hair [Chorus] I'll find someone else and I hope you do too

But please don't come looking for me baby

'Cause you know that we're through [Chorus]
