

Rolling In the Deep

Adele

Advisory - the following lyrics contain explicit language:

There's a fire starting in my heart
Reaching a fever pitch, it's bringing me out the dark
Finally I can see you crystal clear
[Clean version:] Go 'head and sell me out and I'll lay your ship bare
[Explicit version:] Go 'head and sell me out and I'll lay your shit bare
See how I leave with every piece of you
Don't underestimate the things that I will doThere's a fire starting in my heart
Reaching a fever pitch
And it's bringing me out the darkThe scars of your love remind me of us
They keep me thinking that we almost had it all
The scars of your love, they leave me breathless
I can't help feeling
We could have had it all
(You're gonna wish you never had met me)
Rolling in the deep
(Tears are gonna fall, rolling in the deep)
You had my heart inside of your hand
(You're gonna wish you never had met me)
And you played it, to the beat
(Tears are gonna fall, rolling in the deep)Baby, I have no story to be told
But I've heard one on you
And I'm gonna make your head burn
Think of me in the depths of your despair
Make a home down there
As mine sure won't be shared(You're gonna wish you never had met me)
The scars of your love remind me of us
(Tears are gonna fall, rolling in the deep)
They keep me thinking that we almost had it all
(You're gonna wish you never had met me)
The scars of your love, they leave me breathless
(Tears are gonna fall, rolling in the deep)
I can't help feeling

We could have had it all
 (You're gonna wish you never had met me)
 Rolling in the deep
 (Tears are gonna fall, rolling in the deep)
 You had my heart inside of your hand
 (You're gonna wish you never had met me)
 And you played it, to the beat
 (Tears are gonna fall, rolling in the deep)
 We could have had it all
 Rolling in the deep
 You had my heart inside of your hand
But you played it, with a beating Throw your soul through every open door (woah)
 Count your blessings to find what you look for (woah)
 Turn my sorrow into treasured gold (woah)
You'll pay me back in kind and reap just what you sow (woah)
 (You're gonna wish you never had met me)
 We could have had it all
 (Tears are gonna fall, rolling in the deep)
 We could have had it all
 (You're gonna wish you never had met me)
 It all, it all, it all
(Tears are gonna fall, rolling in the deep)We could have had it all
 (You're gonna wish you never had met me)
 Rolling in the deep
 (Tears are gonna fall, rolling in the deep)
 You had my heart inside of your hand
 (You're gonna wish you never had met me)
 And you played it to the beat
(Tears are gonna fall, rolling in the deep)We could have had it all
 (You're gonna wish you never had met me)
 Rolling in the deep
 (Tears are gonna fall, rolling in the deep)
 You had my heart inside of your hand
(You're gonna wish you never had met me)But you played it
 You played it
 You played it
 You played it to the beat.
