

# Spaceman (Bloody Beats Mix)

## The Killers

It started with a low light  
Next thing I knew they ripped me from my bed  
And then they took my blood type  
It left a strange impression in my head  
You know that I was hoping  
That I could leave this star-crossed world behind  
But when they cut me open  
I guess that changed my mind  
And you know I might  
Have just flown too far from the floor this time  
'Cause they calling me by my name  
And the zipping white light beams  
Disregards the bombs and satellites That was the turning point  
That was one lonely night The star maker says, it ain't so bad  
The dream maker's going make you mad  
The spaceman says, everybody look down  
It's all in your mind Well now I'm back at home, and  
I'm looking forward to this life I live  
You know its gonna haunt me  
So hesitation to this life I give  
You think you might cross over  
You're caught between the devil and the deep blue sea  
You better look it over  
Before you make that leap And you know I'm fine  
But I hear those voices at night sometimes  
They justify my claim  
And the public don't dwell my transmission  
'Cause it wasn't televised But, it was the turning point  
Oh what a lonely night The star maker says, it ain't so bad  
The dream maker's going make you mad  
The spaceman says, everybody look down  
It's all in your mind The star maker says, it ain't so bad  
The dream maker's going make you mad  
The spaceman says, everybody look down  
It's all in your mind My global position systems are vocally addressed  
They say the Nile used to run from east to west  
They say the Nile used to run, from east to west And you know I'm fine  
But I hear those voices at night  
Sometimes The star maker says, it ain't so bad

The dream maker's going make you mad  
The spaceman says, everybody look down  
It's all in your mindThe star maker says, it ain't so bad  
The dream maker's going make you mad  
The spaceman says, everybody look down  
It's all in your mindIt's all in my mind  
It's all in my mind
