

Change Clothes

JAY-Z

[Intro: Jay-Z (Pharrell)]

Uh, uh, whooo, the bounce is back

Uh, uh, uh, yeah, uh, your boy is back

(Sexy sexy) I know y'all miss the bounce

Y'Need the bounce for the sexy you know

Let's get it in...[Verse 1: Jay-Z]

Yeah ma, your dude is back,

The Maybach roof is back

Tell the whole world the truth is back

You ain't got to argue about who could rap

Cause the proof is back, just go through my raps

New York, New York! yeah where my troopers at?

Where my hustlers? where my boosters at?

I don't care what you do for stacks

I know the world glued you back to the wall

You gotta brawl through that

I been through that,

been shot at shoot back

Gotta keep it peace like a buddhist

I ain't a New Jack nobody 'gon Wesley Snipe me

It's less than likely, move back

Let I breathe Jedi knight

The more space I get the better I write

(Oh) Never I write, but, if, ever I write

I need the space to say whatever I like, now just

[Chorus: Jay-Z (Pharrell)]

(Change clothes and go) You know I stay, fresh to death I brought you from the projects

And I'm a take you to the top of the globe so let's go (Change numbers and go)

Uh huh yeah, uh (Now girl I promise you, no substitution) It's just me[Verse 2: Jay-Z]

And I 'gon tell you again let's get ghost in the Phantom

You could bring your friend we could make this a tandem

You could come by yourself and you could stand him

Best believe I sweat out weaves,

Give afropuffs like R.A.G.E.

"Haa-u-git"* if you could move it

Back it on up like a U-Haul truck

Then run and tell them ducks you heard Hovi now shit

He and the boy Phar-real make beautiful music

He is to the east coast what Snoop is,

to the west coast what Face is to Houston
Young Hov in the house it's so necessary
No bra with the blouse it's so necessary
No panties and jeans that's so necessary
Now why you frontin on me? is that necessary?
Do I, to you, look like a lame
Who don't understand a broad with a mean shoe game
Whose up on Dot Dot Dot and Vera Wang
Ma are you insane? let's just
(Woman speaking: What you want me to do?)
[Chorus: Jay-Z (Pharrell)][Bridge: Jay-Z (Pharrell)]
Uh, uh (Sexy sexy) Woo! (Ah ah!)
Uh huh (Sexy sexy) It's so necessary me (Ah ah!)
Uh huh, woo! (Sexy sexy) That's right it's a groove (Ah ah!)
Uh huh, it's a groove (Sexy sexy) bring it back (Ah ah!)
Young Hovi in the house it's so necessary
No bra with that blouse it's so necessary
No panties and jeans it's so necessary
Why you frontin on me?
[Verse 3: Jay-Z]Let's go to my hotel cause this don't go well
With those S Dots, try to stay fresh ma
Ma, I don't shop where the rest buy
Oh no ma please respect ma
Jiggy this is probably Purple Label
Or that BBC or it's probably tailored
But y'all niggas actin way to tough
Throw on a suit get it tapered up, and let's just [Chorus: Jay-Z (Pharrell)][Bridge (Outro): Jay-Z (Pharrell)]
