

# You Are Enough

## Elevation Worship

Verse:

my highest joy  
love of my heart  
you are  
all that's good  
flows from your mercy  
to us

Pre-Chorus:

here's my heart  
make it yours

i will sing

Chorus:

if i lose it all  
you're enough  
if i gain the world  
you're enough  
my joy is complete

Jesus you are enough for me

Jesus you are enough for me

Verse 2:

empty we came  
you gave your grace  
to us

when riches fade

still you remain

our God

Bridge:

you can take my life

and all i have

i will sing your worth

with all i am

(the hope i've found)

Outro:

you're all i need

you're everything

Jesus you are enough for me
