## Stone Temple Pilots

Somebody told me, I know where to go  
Somebody showed me, I was last to know  
Sell me down the river  
Sell me down the river  
Sell me down the river  
What I wanted, is what I wanted  
What I wanted is what she wanted  
Unfriendly feelings, down on wounded knee  
Unfriendly reasons, some blind mother's need  
Sell me down the river  
Sell me down the river  
Sell me down the river  
What I wanted, is what we wanted  
What we wanted is what she wanted  
You read the words and it sells you life  
They sell their words, but it's all a lie  
Somebody told me, I know where to go  
Somebody showed me, I was last to know  
Sell me down the river  
Sell me down the river  
Sell me down the river  
What I wanted, is what I wanted  
What we wanted is what we wanted  
What I wanted, is what I wanted  
What we wanted is what she wanted  
The second album  
Twelve precious melodies  
Worth listening  
Hope you enjoy them  
Like if it's sung to me  
Listen to twelve great tunes  
Playing on your stereo  
Dining and dancing too  
Entertain on the piano  
The second album  
Twelve gracious melodies  
To listen  
Include this number  
Keeping you company  
Well getting on the record soon  
Grooving on an afternoon  
That's on my album too  
This album cover  
Looks similar like Johnny Mathis  
For Mathis lovers this album has his style  
Beautiful numbers are heard on the car radio  
After all records are cut in the recording studio  
My second album  
One dozen melodies to listen  
Include this number  
Keeping in company  
Well, hoping that this record sells  
Singing by our wishing well

That's on my album too
