You're a Woman, I'm a Machine

Death From Above 1979

Take what you want
My head is full
Take what you need
My price is good
You want it all
I've seen it once
I've seen it allNow that its over this weight is off my shoulder
Now that its over I love you more and moreI know that you
Would take my hand
If I were to
Give you the chance
You want it all
Just like you should
Our thoughts are pure
Our thoughts are good
Be what you want
You'll have it all
I've seen it once
I've seen it all
