

# I'm Comin' Home

Crystal Nicole

Woah Oh oh  
Oh woah woah

The grass is always greener,  
In the place you water  
Gave my heart to another  
But didn't notice the drought at home  
While I was out here lying,  
Promises were dying  
Out here living dreams, chasing things  
While you were here all along  
Gave you everything you need  
Money was no object  
But it never occurred to me  
My love was all you wanted

What I know now, where I belong  
I'm packing my bags and I'm coming home  
I know you been alone, loving my shadow  
But I'm catching this cab and coming home  
I know I don't deserve you  
Took you for granted, I never planned it  
But I see now, where I belong  
And I'm coming home

Woah oh oh  
Im coming home  
Ohhh

The sound of your heartbreak  
Keeps ringing in my ears now  
The fussing, cussing, arguing every day  
Is beating like a drum in my chest  
While I was living fairytales  
Oh you were here in this hell, yeah  
I thought the treasure was out there  
When all along it was right here

What I know no, where I belong now  
I'm packing my bags and I'm coming home

I know you been alone, loving my shadow  
I'm catching this cab and coming home  
I know I don't deserve you  
Took you for granted, I never planned it  
But I see now, where I belong  
And I'm coming home, oh oh

(Choir) Coming home  
Coming home, Yes I am Yeah Oh  
(Choir) Coming home  
I'm coming home, Woah woah  
(Choir) Coming home  
I'm coming home  
(Choir) Coming home  
Yeah Yeah Yeah
