Sorry

Number One Fan

I thought you would know if I turned around
If I go
You'll live without
All the things I hoped you'd say by now
Never came outDon't say what you mean
I'm not ready for that
All the things sounded so appropriate
At the time
Say what you mean
I'm not ready for that
No, not yetI thought you would know if I turned around
If I go
You'll live without
All the things I hoped you'd say by now
Never came outI'm sorry now
Hope that you're happy
I'm sorry now
I thought you would understand
I'm sorry now
Hope that you're happy againDon't play with me
I'm as hurt as they come
Do away with me
I haven't had fun since we broke up
And now I must grow up you said
Change, the only thing I hate more than youI'm sorry now
Hope that you're happy
I'm sorry now
I thought you would understand
I'm sorry now
Hope that you're happy again
