

From the Bottom of My Broken Heart (Radio Edit)

[Britney Spears](#)

"Never look back," we said
How was I to know I'd miss you so?
Loneliness up ahead, emptiness behind
Where do I go? And you didn't hear
All my joy through my tears
All my hopes through my fears
Did you now, still I miss you somehow From the bottom of my broken heart
There's just a thing or two I'd like you to know
You were my first love,
You were my true love
From the first kisses to the very last rose
From the bottom of my broken heart
Even though time may find me somebody new
You were my real love, I never knew love
"Til there was you
From the bottom of my broken heart "Baby," I said,
"Please stay. Give our love a chance for one more day"
We could have worked things out
Taking time is what love's all about But you put a dart through my dreams
Through my heart
And I'm back where I started again
Never thought it would end From the bottom of my broken heart
There's just a thing or two I'd like you to know
You were my first love,
You were my true love
From the first kisses to the very last rose
From the bottom of my broken heart
Even though time may find me somebody new
You were my real love, I never knew love
"Til there was you
From the bottom of my broken heart You promised yourself
But to somebody else
And you made it so perfectly clear
Still I wish you were here now From the bottom of my broken heart
There's just a thing or two I'd like you to know
You were my first love,
You were my true love,
From the first kisses to the very last rose From the bottom of my broken heart
Even though time may find me somebody new

You were my real love, I never knew love
"Til there was you
From the bottom of my broken heart "Never look back," we said,
How was I to know I'd miss you so?
