

I Need You

Lynyrd Skynyrd

Ain't no need to worry
There ain't no use to cry
'Cause I'll be comin' home soon
To keep you satisfied
You know I get so lonely
That I feel I can't go on
And it feels so good inside, babe
Just to call you on the telephone, I said
Ooh baby, I love you
What more can I say?
Ooh baby, I need you
I miss you more every day
I woke up early this mornin'
And the sun came shinin' down
And it found me wishin' and hopin'
Mama, you could be around
For you know I need you
More than the air I breathe
And I guess I'm just tryin' to tell you, woman
Oh, what you mean to me, yeah, yeah

Ooh baby, I love you
What more can I say?
Ooh baby, I need you
I miss you more every day, I said
I'm tryin' to tell you I love you
In each and every way
I'm tryin' to tell you I need you
Much more than just a piece of lay
Ooh baby, I love you
What more can I say?
Ooh baby, I need you
I miss you more every day
Ooh baby, I love, love, love, love you
What more can I say?
Ooh baby, I need your sweet lovin'
I miss you more and more every day, yeah
Ooh baby, I love you
Baby, baby, I need you
