Anything Else

Supersuckers

Well I want you to know
It ain't fun anymore to me
Dealing with the leanin' in between
But I know I'm gonna work it out
Yeah well theres never really been
Any doubts sometimesI gotta step back to see
That there isn't anybody I'd rather be
And there isn't any other place
In the world or anything
Anything else for meI've been thinking about dealing marijuana
Sneaking out to the casino on the sly
Well I want you to rest assured
Yeah that's rediculous and absurd thats right
I gotta step back to see
That there isn't anybody I'd rather be
And there isn't any other place
In the world or anything
Anything else for meWhen I fall down
When I feel down
When I'm alright
It ain't half as bad as it seems
And its easy to see what I mean
When everything starts to fall your way
And finally comes your day in the sunI gotta step back to see
That there isn't anybody I'd rather be
And there isn't any other place
In the world or anything
I gotta step back to see
That there isn't anybody I'd rather be
And there isn't any other place
In the world or anything
Anything else for me
