

Dead Plane

No Age

Please sit down, I'll move up
Put my face on his backer, yeah
He needs the room, oo-oo-oo
I don't wanna fight you Fat big man, take me home
Find his shirt, find his shirt, for sure
He needs the room, oo-oo-oo
I don't wanna buff it on foot Please move over, yeah, you know
Put my face on his backer, yeah
He needs the room, oo-oo-oo
I don't wanna fight you
