

# The Church Of What's Happening Now

Sia

I want to change, to rearrange  
What is going on  
I need to change, I need to play  
Like a five year old  
I can't detach from the past  
And all of the pain  
I need to learn, start from scratch  
Begin again  
Throw away yesterday  
Today is a brand new day  
Throw away yesterday  
Today is a brand new day  
So I'm going to eat one hundred sweets  
I don't care if I get fat  
And I'm going to speak one I won't censor me  
I know I can take nothing back  
And I'm going to jump I will unburden  
I cannot go too deep  
And I will not run from bad things I've done  
They're things I'll try not to repeat

Throw away yesterday  
Today is a brand new day  
Throw away yesterday  
Today is a brand new day  
Welcome to  
The church of what's happening now  
Head straight through  
It costs nothing but change  
Throw away yesterday  
Today is a brand new day  
Throw away yesterday  
Today is a brand new day  
Throw away yesterday  
Today is a brand new day  
Throw away yesterday  
Today is a brand new day  
Throw away yesterday  
And today is a brand new day

Throw away yesterday  
'Cause today is a brand new day
