

Just a Little Bit

Johnny Winter

I don't want much
Just want a little bit
Don't want it all
Just a little bit Give me an eeny-weeny bit
A teeny-weeny bit of your love Turn your lamps down low
Slip me a kiss
Turn your lights down low
I won't let you resist, ooh I want an eeny-weeny bit
A teeny-weeny bit of your love Early in the mornin'
Well, just a little bit
Around midnight
Just a little bit I want an eeny-weeny bit
A teeny-weeny bit of your love Ooh, walk with me
Just a little bit
I said, talk to me
Just a little bit I want an eeny-weeny bit
A teeny-weeny bit of your love, oh I want you to remember
To say that you'll be mine
Say you'll never leave me
Till the end of time I want an eeny-weeny bit
A teeny-weeny bit of your love I want an eeny-weeny bit
A teeny-weeny bit of your love
