

# Tell Me What's The Reason

## T-Bone Walker

    tell me whats the reason you keep on teasin me  
    you said you don't want me but you won't let me be  
        tell me whats the reason you do the things you do  
    you're breakin my achin heart till it pains me through and throughi get up in the mornin  
            feelin kind of good  
                hopin my baby  
            will do the things she should  
                i hold you in my arms  
                    tight  
            and the only thing you want is another fight
