

# Far Too Young To Die

## Panic! At The Disco

I never so adored you  
I'm twisting allegories now  
I want to complicate you  
Don't let me do this to myself I'm chasing roller coasters  
I've got to have you closer now  
Endless romantic stories  
You never could control me Well I never really thought that you'd come tonight  
When the crown hangs heavy on either side  
Give me one last kiss while we're far too young to die. Fixation or psychosis?  
Devoted to neurosis now  
Endless romantic stories  
You never could control me Well I never really thought that you'd come tonight  
When the crown hangs heavy on either side  
Give me one last kiss while we're far too young to die. Well I never really thought that you'd come tonight  
When the crown hangs heavy on either side  
Give me one last kiss while we're far too young to die
