

# **(Boom, Boom, Boom, Boom) Everybody Fall Down**

## **The Applejacks**

Boom, boom, boom, boom, she made my heart fall  
A-boom, boom, boom, boom, she made my head spin round and round

When she walks up and down  
Every fella in the town wants to know her  
But I know her  
And it's boom, boom, boom, boom, everybody fall down  
Hit the ground when she comes

Boom, boom, boom, boom, she made my heart fall  
A-boom, boom, boom, boom, she made my legs all tremble  
Get the door

You just gotta watch her go  
But therefore you should know what I mean  
If you feel it  
And it's boom boom boom boom, everybody fall down  
Hit the ground when she comes

Boom, boom, boom, boom, she made my heart fall  
A-boom, boom, boom, boom, she made my legs all tremble  
Get the door

You just gotta watch her go  
But therefore you should know what I mean  
If you feel it  
And it's boom boom boom boom, everybody fall down  
Hit the ground when she comes

When she comes  
When she comes  
When she comes
